APS Westward Bound

APS is delighted to announce it has entered into a strategic alliance with Integrity Staffing in Western Australia.

The move is the final piece of the puzzle for the transformation of a Victorian based business into a labour hire company with a National presence in each mainland State of Australia.

Integrity Staffing conduct their business in line with the same core values as APS and will provide a tailored APS Service to clients serviced in other states.

For further details please contact the Managing Director of APS, Julian Barson on (03) 9682 3555.
